

Doc#	Rev.	Date:
F800-93460R-R1	1	6/18/2025
Product Datasheet		
SWS Part Number:	93460R	
Product Code:	Illumination	
Commodity Code:	Material Handling	

Product Name :	Red Line Forklift Safety Barrier
Product Description :	Forklift Line 9-110Vdc RED

Specifications

Classifications : Certified with ISO9001, IATF16949, CE, and RoHS	
Voltage	9-110 Vdc
Current Draw	1.67Amps
Power	20W
Lumens	1600 lm
EMI Level	~0
Projecting	Red Line
Optic Colour	Clear
Colour Emitting	Red
Mounting	Permanent
Vibration Resistance	15 Grms 24Hz to 2000Hz
Polarity Protection	Yes
Operating Temperatures	-40°C to +85°C
IP Rating	IP68-IP69K
Lifetime	50,000 Hrs.
Salt Spray Test	ISO 9227
Shock Resistance	60G

SAE Length x Width x Height			
Metric Length x Width X Height	98mm	75mm	76.5mm

Warranty	3 Year	Views
Lens Material	Polycarbonate	
Body Material	Diecast Aluminum	
Base Material	Stainless Steel	
Included		
Instructions	Yes	
Mounting Hardware	Yes	
Sold Separately		
Substitute Parts:
