

93600 Series LED Dual-Optic Tractor Light

93600

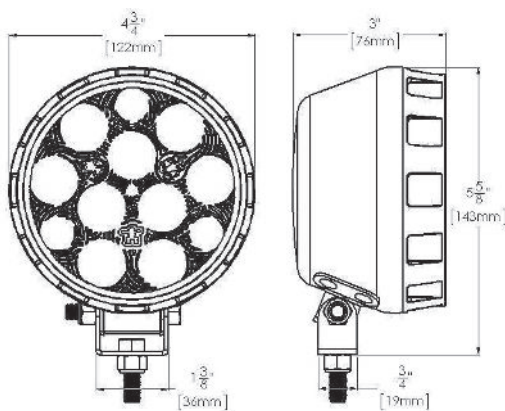

93601

93605

May be used as
Stop/Tail/Turn Light

93602

Features

- Environmental-Proof Rubber Housing & Polycarbonate Lens
- Dual-Optic Design (3 Spot Optics & 9 Flood Optics)
- Dim and Full Brightness Modes
- High Efficiency Electronics
- Latest Generation LEDs
- No Bulbs to Change
- Pedestal Mount

Specification	50W PAR 36 Incandescent	LED Tractor Light
Voltage Range	12V	8-30Vdc
Current Draw (Full Brightness)	4A @ 12Vdc	0.45A @ 12Vdc
Raw Candela Full	1,214cd	4,476cd
Candela Dim	N/A	1119cd
Lifetime	2,000 hours	50,000 hours

* This is the lifetime when the LEDs are emitting less than 70% of their initial output
