

 		Doc#	Rev.	Date:
		F800-93470B-R1	1	6/18/2025
		Product Datasheet		
		SWS Part Number:	93470B	
Product Code:		Illumination		
Commodity Code:		Material Handling		
Product Name :		Blue Spot Forklift Safety Light		
Product Description :		Forklift Spot 20W 9-110 Vdc BLU		
Specifications				
Classifications : Certified with ISO9001, IATF16949, CE, and RoHS				
Voltage		9-110 Vdc		
Current Draw		1.67A @12 Vdc		
Power		20W		
Lumens		1600 lm		
EMI Level		N/A		
Projecting		Blue Spot		
Optic Colour		Clear		
Colour Emitting		Blue		
Mounting		Permanent		
Vibration Resistance		15 Grms 24Hz to 2000Hz		
Polarity Protection		Yes		
Operating Temperatures		-40°C to +85°C		
IP Rating		IP68-IP69K		
Lifetime		50,000 Hrs.		
Salt Spray Test		ISO 9227		
Shock Resistance		60G		
SAE Length x Width x Height				
Metric Length x Width X Height		98mm	75mm	76.5mm
Warranty		3 Year Views		
Lens Material		Polycarbonate		
Body Material		Diecast Aluminum		
Base Material		Stainless Steel		
Included				
Instructions		Yes		
Mounting Hardware		Yes		
Sold Separately				
Switch				
  				
Sold Separately Other Material Handling Products
